Dear Pastor Datoy,

Once again we would like to thank you and Melbourne Bible Baptist Church for your continued support of our family as we serve the Lord in Romania.

We have been in Romania for close to 4 years now and have seen some great answers to prayer, which we believe were not just our prayers but also of those made from Melbourne Bible Baptist Church.

The highlights of these past 4 years have been the basic construction of the campsite which we helped with when we were with Bro. Ayre in the south-west of the country. The strengthening and edifying of Filadelfia Ind. Baptist church in Ramnicu Valcea where we have been for the last 2 ½ years working with Bro. Ilie Mondoc. And finally the planting of Babeni Ind. Bapt. Church which we did in November 2010. Along with these highlights we saw people who receive Christ as Saviour and their lives have been changed. It has been exciting to see the Lord working in the lives of others bringing them to salvation and growth.

We would also like to thank you for allowing us to come and share these moments with the people of Melbourne Bible Baptist Church on **the 21st of August in your morning service**. We are looking forward to seeing everyone again and also meeting some new faces which have appeared since we have been gone.

Until then we pray the Lord will continue to bless the work there in Melbourne.

In His service,

Chris Crocket
